Who are you?

- Where is **home** for you?
- What is the **traditional territory** where you live?
- What are some of your **roles**?
- What are some of your **identities**?
- What are your **interests** and hobbies?
- What is **important** to you?
- What is a **life event** that shaped who you are?
- What is something that you want others to **know about you**?

Reflecting on barriers

- What is getting in the way of inclusion in classrooms/schools/communities?
- What role does mindset and attitude have on inclusion?
- How do barriers to inclusion affect more than just students with disabilities?

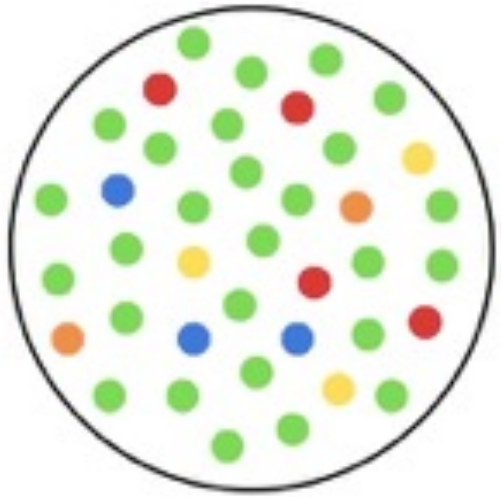
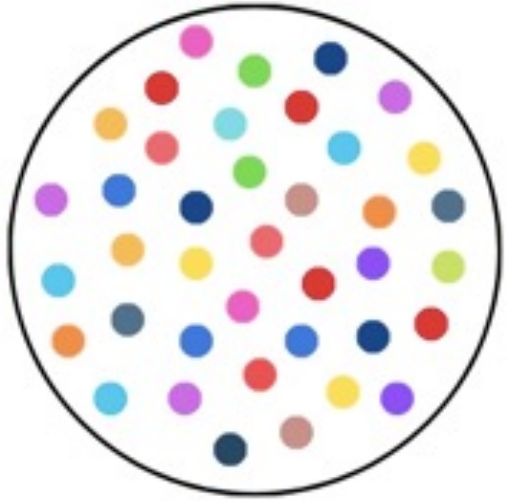
Thinking about *identity*

- What does identity mean to you?
- How is identity similar/different than diversity?
- How do you see identities represented in classrooms, schools and/or communities?

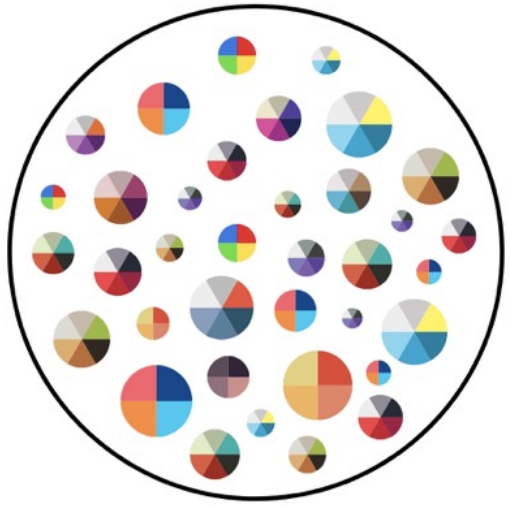
WHAT IS *inclusion*?



Including
'special needs' students into general education classrooms



Teaching and designing for
diversity
(that includes Disability)



Creating space for students to feel confident and safe to **identify**?
(that includes students who are Disabled)

Reflecting on your *learning*

- One thing I learned today is...
- I used to think....but now I think ....
- After today, something I want to learn more about is...
